Raymond Pinto

The Saskatchewan Jamaican Association was incorporated in 1994.

The association provides many activities and events.

In February, the association celebrates [Black History Month](#) annually by organizing a church service, displays and a Gospelfest and variety show. This encourages youth to reflect on history and builds an awareness among the general public.

In August, the association organizes a flag raising ceremony, banquet or Picnic to celebrate Independence Day.

In November, the association presents a Heroes Banquet to celebrate Saskatchewan Multicultural Week. This banquet focuses on celebration, commemoration and learning and includes an original play honoured a Jamaican national hero as well as an awards ceremony for a local volunteer.

Scholarship program are also offered and the association fundraises for this bursary for a young students. A holiday celebration is planned each December for children and youth workshops have also been presented throughout the year. Partnership building is a priority of the Saskatchewan Jamaican Association.

For more information please call Mavis Ashbourne-Palmer at (306) 352-6580.
